

Vons SCEA Golf at The Crossings

The Vons SCEA Golf at The Crossings in Carlsbad was the best outing of the year. Our goal is to make each successive venue better and more challenging. The Crossings surpassed our expectations. The staff is the most professional we have worked with in both California and Nevada.

The course was in fine condition and provided a challenge for our better players. The putting contest was fun and unique. The banquet was excellent. The location of the course and clubhouse in the hills of North San Diego County was only a short walk to the beach.

The players unanimously support a return to The Crossings in 2011.

The best score was a 10 under par 62 turned in by the group of Scott Doucet, Anthony Cappadona, Chad Gentile and John Green. This was their second win overall and they have placed 2nd and 3rd in the other 2 events. Scott's Longest Drive gave him an extra 2 points positioning himself well in front for the season points total of 42. Newcomer Karen Krause won both the Ladies Long Drive and Closest to the Pin awards. The Men's Closest to the Pin went to I.J. Flowers. The Putting Contest was won by Anthony Reyes.

Several players took advantage of the early sign up for the Lost Canyons Tournament in Simi Valley in September. Lost Canyons is a Pete Dye/Fred Couples design that will force everyone to bring their A game. It will be the last chance to earn points toward discounts and free golf at the Pismo Beach event in October where the competition will include entries from the Norcal and Phoenix divisions of Safeway.

Thanks to all who have played and supported these great golf outings for 2010. It is your participation which makes this fun and successful. See you in September.
